A RECENT STORY

Out In the Boondocks

Don and Norma live in a small town near Laramie, Wyoming. They have a burden to share the gospel with isolated sheep herders in their area – out in the “boondocks.” They helped with showings of the *JESUS* film and distributed 70 *The Life of Jesus Christ* multi-language *JESUS* DVDs to these men from Argentina, Chile and Peru. As a result, 22 shepherds indicated decisions to receive Christ! When these men return to their homelands to visit, they often take the films with them to share with their families. Some of the people have reported that they have watched and shared their copies of the DVD until they have literally worn them out.

Don and Norma have been married 50 years. Although Norma is blind now, that doesn’t stop them from sharing the message of Christ with others – especially sheep herders living in very isolated areas.

What foreign-born people live in your community? Has God burdened your heart to reach out to them with His grace, mercy and hope? The *JESUS* DVD given as a gift is a great way to open spiritual conversations. For assistance you can visit our website www.ReachingTheNationsAmongUs.org There are 21 different multi-language *JESUS* DVDs to choose from, as well as resources and training opportunities. Pray for God to help you fulfill your vital part of His Great Commission. The world is at our doorsteps!

MONDAY: Praise God for the Latin American Immigrant Languages *JESUS* DVD (pictured above). This DVD includes Latin American Spanish, Brazilian Portuguese and languages spoken by Middle Eastern immigrants coming to the Americas. It also has seven subtitles and an additional movie – *The Story of Jesus for Children*. Pray for those using this tool to have wisdom and favor in their outreaches. Pray for Spanish-speaking churches reaching out to Middle Eastern immigrants with this DVD.

TUESDAY: Thank God for the opportunity the influx of immigrants to our country gives us to reach out to the world. Pray for believers to seize the opportunity to share Jesus with some of the most unreached people in the world. Pray for a new 24-language *JESUS* DVD now being developed to help churches and followers of Jesus Christ share the gospel with *Our Newest Neighbors*, helping them see and hear about the hope Jesus offers.

WEDNESDAY: Pray for the follow-up of special outreaches during the recent Iranian New Year called Nowruz. The celebration was observed coast to coast by Persian families and friends at parks and other venues. Pray for individuals and ministries who distributed over 12,400 DVDs in the Farsi language to be able to make contact with those who want to know more about Jesus. Pray for those who received DVDs to watch them with their families. Pray for many to place their faith in Jesus as their Savior and to have the freedom to become involved in churches where they can be discipled.

THURSDAY: Praise God for our partner ministry, *Christ for All Peoples*, who has ordered 222,600 DVDs since last September. Pray for the many groups they work with to use creative ways as they participate in distributing these DVDs. Pray for needed provisions and workers as these ministries share Jesus' free gift of eternal life. Pray for immigrants and their families to place their faith in Jesus and to take the good news to their homelands where more people can be exposed to the truth of Christ.

FRIDAY: Pray for our partner ministries reaching out to immigrants in the U.S. throughout the summer months at festivals and parades. Pray for people to be open to receiving materials about Jesus Christ, including the multi-language *JESUS* DVDs. Ask God to provide fruitful conversations with people from other nations seeking to know more about Jesus. Pray many will look to Jesus and His Word and place their faith in Him. Pray also for opportunities to participate in summer outreaches using *JESUS* DVDs near your home.

SATURDAY: Pray for the Refugee Highway North American Roundtable Conference in Toronto, Canada this July. Pray for our team members as they share successful strategies and tools we have to offer participants. Pray for refugee organizations to have multiple opportunities to show Jesus' love by helping people overcome many difficult cultural challenges. Pray for more refugee ministries to begin using the multi-language *JESUS* DVDs as they help with spiritual needs.

SUNDAY: Pray for churches to be glowing lighthouses for God. Thank God for churches that are assisting people in their search for truth and purpose in life. Ask God to reveal new ways to minister to individuals and families from other nations living near them. Pray for a greater use of the *All Nations* DVD Display and the "How to use the *JESUS* DVD" flyer as churches reach out.
