### Featured DVD

## American Cities Languages

**MONDAY:** Praise God for the new American Cities Languages *JESUS* DVD (pictured above). This DVD includes 24 languages and eight subtitles. The back of this unique 5x7 DVD jacket has room for individual churches to put their contact information. Pray for the use of this tool as it has great appeal for churches to use in ministering to people from other nations. Pray for many city ministries to learn about this DVD and develop strategies to reach foreign language speakers in their areas.

**TUESDAY:** Pray for the Refugee Highway North American Roundtable Conference in Toronto, Canada, July 20-22. Pray for our team members as they share successful strategies using *JESUS* DVDs. Pray for the many participating refugee organizations to have opportunities to show Jesus' love by helping people overcome difficult cultural and emotional challenges. Pray for more refugee ministries to begin using the multi-language *JESUS* DVDs in helping with spiritual needs.

**WEDNESDAY:** Pray for God to touch the hearts and minds of followers of Jesus to act upon the great opportunity to influence the world by reaching out to the nations which have come to us. Pray for the over 40,000 refugees who have been given residency in the U.S. so far in 2016 to have love and care from a nearby follower of Jesus. Pray for many refugee families to accept a *JESUS* DVD gift and be open to embrace Jesus' love. Praise God for the over 4.42 million *JESUS* DVDs we have shipped out to hundreds of partners who share this ministry vision.

**THURSDAY:** Pray for the special outreach ministry of Child Evangelism Fellowship (CEF) this coming Christmas season as they will be gifting over 100,000 copies of the 24-language *JESUS* DVD called *The Story of Jesus Through the Eyes of Children*. Pray for the planning of this creative distribution. Ask God to prepare the hearts of families to gladly receive the DVD, watch it and open their lives to Jesus' gift of grace, joy and peace. Pray for DVDs to be shared from one family to another to make even more of an impact.

**FRIDAY:** Pray for our partner ministries reaching out to recent immigrants in North America throughout the summer months at festivals and parades. Pray for people to be open to receiving materials about Jesus Christ, including the multi-language *JESUS* DVDs. Ask God to open the hearts and minds of immigrants and their families to the good news provided by Jesus. Pray many will look to Jesus and His Word and place their faith in Him. Ask God for an opportunity to participate in a summer outreach near your home or church.

**SATURDAY:** Pray for the unique VBS program this July for children and families of people from other nations living in Dearborn, Michigan. Pray for our partner ministry, M2M, as they hold this VBS as a means of serving immigrants with love and helping them understand Christianity. Pray for many fruitful spiritual conversations and that families will accept gifts of *JESUS* DVDs. Pray for many to become followers of Jesus.

**SUNDAY:** Praise God for the opportunity the influx of immigrants to our country gives us to reach out to the world. Pray for believers to seize this time to share Jesus with some of the most unreached people in the world. Pray for the new 24-language *JESUS* DVD, developed for churches and followers of Jesus Christ, to be very effective in sharing the gospel with *Our Newest Neighbors*, giving them hope which only Jesus offers.

*Pray for all to be saved and to come to the knowledge of the truth. 1 Timothy 2:1-8*

## Amazing Results!

### A RECENT STORY

A pastor recently held up a *JESUS* DVD in his pulpit and said, “I can’t speak the languages of my neighbors, but I’m going to give them DVDs of *JESUS*, because it is the Word of God, the Book of Luke, and His Word never returns void.” This pastor is one of hundreds awakening their people to the opportunity to reach immigrants for Christ using *JESUS* DVDs. People are beginning to accept this challenge and finding creative ways to share with their new immigrant neighbors. The results are encouraging and amazing.

Steve held a garage sale. He set up a table with *JESUS* DVDs in many languages. A Pakistani immigrant neighbor walked purposely up the driveway as if he knew what he was looking for. He went straight to the table and stared at the many DVDs. Steve went over to the man and warmly showed him the list of languages on a South Asian DVD. The man exclaimed loudly, “That’s my language!” He took the DVD and held it to his chest. He continued, “I spent 50 years in my country in a living hell. I’m beginning to believe now that Jesus is more than just a prophet!”

Backed by prayer, a group of Christians set up a table in a primarily immigrant neighborhood. An elderly Middle Eastern man received a *JESUS* DVD. The next day he walked up to the table and said, “You are the ones who gave me the DVD. I want you to know that I watched *JESUS* last night. I prayed the prayer of salvation. I feel Him now, from the top of my head to the toes of my feet. I am so happy. Thank you!”

We can see this wave of immigrants and refugees with God’s eyes. We can feel with His heart of compassion for them and we can help lead them to our Lord and Savior Jesus.

## THE PEOPLES CONNECTION

The Peoples Connection is a bridge-building effort encouraging North American Christians to build genuine, lasting relationships with people who have come from other lands — and introduce them to Jesus.
